

CRAFTING COURAGE: MID-SUMMER ART FOR THE SOUL

In this special mid-summer workshop, we'll explore the healing joy of **beading** and **pipe cleaner sculpting**—playful, hands-on activities that invite you to relax, express yourself, and create something uniquely yours. Whether you're a seasoned crafter or just curious, all are welcome. All materials will be provided.

This workshop is led by student artists from Westlake High School, Angela, Agnes, and Avery. They provide art/craft lessons and workshops in the community through non-profit "Art with the Heart".
