Meeting the needs of people diagnosed with prostate cancer and their families, CSC offers two support groups: a monthly evening Zoom group for those diagnosed (Prostate Cancer Support Group), and a monthly hybrid group (Zoom and in-person) that also welcomes loved ones (Prostate Cancer Networking Group). Both groups provide an excellent opportunity to share experiences, explore treatment options, and address the unique challenges of living with prostate cancer. A Zoom link will be provided upon completion of the New/Annual Visitor Form.

These groups are facilitated by Kevin Axelrad, PhD, a clinical psychologist and long-time CSCVSB group facilitator.
