

Hello Fall

SUCCULENT PUMPKINS

In this special fall social, we'll explore the healing joy of creating a unique centerpiece with pumpkins and succulents! During this activity, you will take your "a-gourd-able" pumpkin and decorate it with succulents on top. This hands-on activity invites you to relax, express yourself, and create something uniquely yours. This can make a great centerpiece or gift to bring thanks all around. Please bring your own pumpkin, and all other materials will be provided.

All ages welcome!
