*"The Cancer Support Community supported me with counseling, support groups and social activities. This kind of support helped me become not only a survivor but also a thriver as I healed from my second cancer treatment."*

*"My group has provided me with priceless information and support. Please continue to support this, for myself and others."*

*"I consider the CSCVSB center my home - you saved my life! Thank you!"*

Our mission is to uplift and strengthen people impacted by cancer by providing support, fostering compassionate communities, and breaking down barriers to care.
