# Beyond the Diagnosis:

## EMBRACING FAMILY RESILIENCE & CAREGIVER WELL-BEING

In this enlightening presentation, we delve into how cancer impacts more than just the individual diagnosed; it touches the lives of every family member. Discover the interconnected journey of families facing cancer and explore the pivotal role of caregivers. Learn strategies for nurturing resilience and the essential aspect of caregiver self-care to sustain strength and hope. Join us to empower families to thrive through adversity, ensuring that no one walks this path alone.
