

MAKE IT HAPPEN!

VISION BOARD

Bring your goals to life by joining us for a vision board making workshop! A vision board can be a powerful visual reminder to stay focused on your goals. Use it to clarify your intentions for the new year, foster growth, and empower yourself. Feel free to bring any magazine clippings, quotes, pictures, etc.

This workshop is led by student artists from Westlake High School! They provide art/craft lessons and workshops in the community through non-profit "Art with the Heart".
