**Behdod Katebian, MD~ *Adventist Health Expanded Urology Services - Simi Valley***

---

Behdod Katebian, MD, cares for patients with a wide range of urologic conditions and diseases, including kidney stones, erectile dysfunction, elevated PSA, and cancers of the bladder, prostate, and kidneys. He performs both minimally invasive and robotic surgery, allowing patients to return home more quickly with less pain and scarring than traditional open surgeries. Dr. Katebian was inspired to become a physician after experiencing the compassionate, empathetic care his father and family received during his father's fight with cancer. Today, he strives to provide his patients and their loved ones with a similar holistic approach.
