

## Love the Skin You're In: Sun Safety & Early Skin Cancer Detection

Join us for an informative workshop focused on the importance of sun safety and the early detection of skin cancer. Participants will learn about how daily sun protection habits can significantly reduce the risk of skin damage and cancer, as well as how to properly perform self-skin exams to identify any concerning skin changes or abnormalities. Empower yourself with the knowledge and tools to take a proactive approach to your skin health and overall well-being.

**Space is limited, so please register online.**
